

# MAKE IT SAFE

Innovate · Inspire · Transform | The Anvil Centre, New Westminster | October 24 & 25, 2018

Dear

I would like your support to attend the **MakeItSafeConference** in New Westminster, BC on October 24th and 25th, 2018, to improve the safety of our workplace.

The Make It Safe Conference has been designed to provide an interactive experience, with core educational topics and inspirational speakers. I am confident that the learning outcomes of the Workshops will directly influence my ability to prevent injuries in our workplace and keep our team safe.

Attendance can be used toward WorkSafeBC's annual leave requirement for JHSC training. *The Make It Safe Conference contains up to 10.5 technical hours and may be eligible for BCRSP CM points. For more CM point criteria visit [bcrsp.ca](http://bcrsp.ca).*

The Make It Safe Conference will have two inspiring Keynote speakers:

- **Inspire an Innovative Safety Culture:** Stuart Ellis-Myers
- **Transform your Workplace Culture:** Paul Krismer

We will also have the opportunity to attend multiple Workshops covering an array of relevant topics:

- Workplace mental health: Identifying symptoms and providing support
- Front-line leader influencing skills
- Identifying hazards in emerging risk areas - radiation and industrial process gas
- Industrial storage racking inspection
- Innovations in machine safeguarding
- Preventing and minimizing MSIs in an aging workforce
- Lean manufacturing and safety
- Inspiring a culture of safety
- Solutions to conduct simple to complex incident investigations
- Transforming your JHSC into an effective team
- Orientation for the millennial workforce
- Managing impairment at the workplace
- Managing stress in an evolving industry
- Transforming safety followers into safety leaders
- Achieving effective safety buy-in from management

Upon my return from the Make It Safe Conference, I will be able to share takeaways, including those that we can implement immediately to maximize our safety programs.

I've broken down the approximate cost of attending the **2018 Make It Safe Conference:**

**Airfare/Travel:**

**Hotel:**

**Conference Pass:**
